

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2001-470-C - ORDER NO. 2003-530 *2003*  
AUGUST 27, 2003

IN RE: Application of Viva Telecom, LLC for a                    ) ORDER CANCELLING  
Certificate of Public Convenience and                    ) CERTIFICATE  
Necessity for Authority to Operate as a Reseller    )  
of Interexchange Telecommunications Services.    )

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Viva Telecom, LLC (“Viva” or the “Company”) to cancel its Certificate of Public Convenience and Necessity to provide intrastate, interexchange telecommunications services within the State of South Carolina on a resale basis. A review of the docket file reveals that the Commission granted Viva authority to operate as a reseller of interexchange services in South Carolina by Order No. 2002-808, dated November 27, 2002.

By letter dated August 15, 2003, Viva advised the Commission that the Company was requesting cancellation of its Certificate to do business in South Carolina. According to Viva, the Company’s business relationship in South Carolina did not materialize as Viva anticipated; therefore, Viva requests that its Certificate be cancelled.

As Viva, by its own acknowledgement, is not providing the services for which the Company’s Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Viva’s Certificate of Public Convenience and

Necessity to provide resold intrastate, interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold intrastate, interexchange telecommunications services within the State of South Carolina authorized by Order No. 2002-808, dated November 27, 2002, issued in the instant docket to Viva Telecom, LLC is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
